Engineer to Estimate

Unknown **Please note this is an Estimate Solutions referrer.**

We would be obliged if you could contact the repairing garage and/or the client as appropriate and agree figures with the repairer – **do not authorise repairs**. Please do not agree a contract repair in excess of 80% of the vehicle value. All contract repairs must be fully itemised.

Please confirm if the vehicle is un-roadworthy and/or illegal to drive.

Vehicle Status –

Damage Area – Undriveable

Pre-existing Damage: Our client had exited a roundabout and was proceeding along Brooke Lane in Newcastle in the left-hand lane. Due to traffic conditions, the client was then stationary for approximately thirty seconds. This is an A-type road with two lanes for travel in our client's. Your insured, while driving in the left-hand lane exited a roundabout and proceeded behind our client, failing to properly observe their surroundings. As a result, they collided with the rear of our client's vehicle, causing significant damage to our client's car. Both parties exchanged details at the scene.

TP Vehicle: Rear: Moderate Boot cant open , bumper is cracked , licence plate pushed in and is facing upwards

TP Registration: Passenger side door has a slight dent

TP Representative Name: VAUXHALL CORSA SPORT

If you need any further information please contact us on DT19 PFZAdmiral selecting option 2.
